Public Health Considerations

Given that the COVID-19 pandemic may be ongoing during the 2023 CNA Conference and Trade Show, changes may be required to address public health challenges. As a result, all plans, commitments and agreements with respect to the event, including all of those described or referenced in this document, may be modified in CNA's sole discretion. While CNA will endeavour to provide as much notice as possible of changes, the evolving nature of the pandemic may limit our ability to do so.

CNA recommends all attendees to the 2023 CNA Conference and Trade Show follow public health measures in place at that time (including but not limited to masking, handwashing, physical distancing, vaccinations, etc.) Failure to follow public health regulations (if any are in existence at the time of the event) is not grounds for refund of any fees paid.

Alterations to the Conference Program

CNA reserves the right to make alterations without notice to the content, speakers, timing, venue or date of the conference compared to the advertised program.

Acknowledgements

The Conference Secretariat will send via e-mail a confirmation of Conference Registration and acknowledgement of payment once full payment has been received and processed. Internet registrations with credit card payments are processed and confirmed immediately by e-mail.

Privacy Policy

CNA has contracted Golden Planners Inc. (GPI) to act as the professional conference organizer for the CNA2023.

In order to successfully hold CNA2023, CNA and GPI collect contact and personal information about registrants through conference registration forms. The achievement of the Conference's objectives involves, among other things, communicating with and determining the needs of registrants, processing payment relating to attendance at events or event related services and products.

Completion and submission of the registration form to CNA and/or GPI provides your consent to CNA and/or GPI to collect your personal information associated with your registration in order to communicate with you, process your conference registration and make any arrangements with third party service providers pertaining to your participation at CNA2023 (including the provision of this personal information necessary to complete your registration or any aspect of your participation).

A list of participants, including contact information, may be produced and distributed to registrants, sponsors and exhibitors. Unless a registrant objects, his/her/their contact information shall be used for these purposes. Contact information may include a registrant's name, title, department, organization, address, telephone number and email address as provided on the conference registration form. If a registrant does not consent, then his/her contact information shall be used by CNA and/or GPI solely for purposes of communicating with the registrant and shall not be provided to anyone else, except as provided for above to process the registration. In the event a registrant does not complete the Collection, Use and Disclosure of Information Section, the submission of a conference registration form constitutes the consent of a registrant to the use of his or her contact information for these purposes.

In accordance with Canada's anti-spam laws, the CNA will require expressed consent to contact you for commercial purposes outside of your participation at CNA2023 conference. Acceptance of these terms and conditions are mandatory for CNA2023 registration, and thus do not indicate your expressed consent for future communications. This consent will be collected separately during all CNA event registrations. Except as previously noted, your information will not be provided to any third party.

GPI will retain personal information provided to them only for so long as it is required for the purposes stated above. Information about former registrants is not actively maintained.
